Modifications and Current Sponsors Involved:

Committed Shows and Magazine Features:

Product Sponsorship Agreement:

- The Air Lift Co. will provide 100% sponsorships to media outlets and our preferred builders.
- Full sponsorships may also be given to anyone who is developing a tech article installing one of our systems. In this case you qualify for our 50% off retail program. You will purchase the system for 50% off retail and then receive a credit once the article appears in a magazine.
- If you are a consumer and not doing a tech article you may also qualify for our 50% off retail deal if the vehicle meets our criteria. Please see guidelines above.
- We require a logo placed on the vehicle at least 2" x6" if you need help with the graphics we can supply them.
- If your club and or team would like a sponsorship we give 15% discounts for group purchases. Please contact for details.
- We require quarterly follow ups outlining your accomplishments during the show season.
- We also require that your vehicle be available for any local shows we may be attending in your area.
